(b) (6)

Thank you for your help today. I tried sending the request for status on a FOIA consultation to (b) (6) and to (b) (6) and they were both returned "undeliverable." I also called the commercial number listed for (b) (6) and that number is not working either. Do you have any other ideas?
Thanks,

Ms. Williamson,

Attached are the referral memo and FOIA request for this case. This action is being referred to DCMA for direct response to the requester, no other coordination is necessary with this Office at this time. DCMA should note that AT&L is conducting their own separate search for documents, the AT&L response will be coordinated through our Office not DCMA. Please be advised that we intend to refer this request to CENTCOM and the Joint Contracting Command as well.

Thank you,

*****REQUEST STATUS ON DCMA FOIA CONSULTATION*****

Background:

1. The Defense Contract Management Agency (DCMA) sent a FOIA consultation to Multi-National Force-Iraq June 24, 2009. As directed by (b) (6), the request was addressed to (b) (6).
2. On June 26th, I was advised by (b) (6) that the request was forwarded to (b) (6) and that she would respond directly to me.
3. On July 13th, (b) (6) advised that (b) (6) needed non-redacted records in order to conduct consultation.
4. On August 8th, I sent the non-redacted records to (b) (6), ATTN: (b) (6).
5. On November 30th, I requested status on the consultation from (b) (6). I received a notification that "the organization rejected my email." I tried again to send the status request to (b) (6) and the same message appeared.
6. I then attempted to send the status request directly to (b) (6); this also failed.
7. That same day, I informed (b) (6) that I tried sending status request to (b) (6) and to (b) (6) and they were both returned "undeliverable." I also advised that I called the commercial number listed for (b) (6) and that number was not working either. (b) (6) suggested that I try sending to (b) (6), which I did on November 30th, explaining the situation and asking for them to forward to appropriate office.

I have not heard anything since sending to (b) (6) and am asking for assistance in tracking down this FOIA consultation. Due to certificate issues encountered when trying to resend attachments, I am not

including them with this broadcast email, but will be happy to re-forward as requested. I can be reached at the number below if you have questions or wish to discuss.

Dear (b) (6)

I have been trying to track down a FOIA consultation that we sent out last June. (See below email for background.)

I have been advised today by (b) (6)

that you are the POC for JCC-I/A.

I tried to forward the original referral and also the email containing unredacted responsive records, as requested by (b) (6); however due to certificate issues, I was unable to send encrypted.

Please contact me so that we can determine best method for safely getting these documents to the appropriate party and so that I can answer any questions you might have.

Dear (b) (3) (B), (b) (6)

I have been trying to track down a FOIA consultation that we sent out last June. (See below email for background.)

I have been advised today by (b) (6) that you are the POC for JCC-I/A.

I tried to forward the original referral and also the email containing unredacted responsive records, as requested by (b) (6); however due to certificate issues, I was unable to send encrypted.

Please contact me so that we can determine best method for safely getting these documents to the appropriate party and so that I can answer any questions you might have.

Microsoft Office Outlook had problems encrypting this message because the following recipients had missing or invalid certificates, or conflicting or unsupported encryption capabilities: (b) (6), (b) (3) (B) .

I wouldn't think it would be a compatibility issue within DoD. I have been successfully sending encrypted emails, in fact the one sent to (b) (3) (B), (b) (6)

didn't bounce back. Did your IT people check your certificate? Perhaps we could try testing by sending to someone else in your office...?? Or if you have another idea, please let me know. (I suppose I could copy to CD and mail

or send by fax.)

Thanks,
donna

Donna,
That sounds good.

I have other request, if you could e-mail to me the acknowledgement letter for 10-012.
Just a heads up, 10-002 has been closed, I am awaiting copies of the letters from Matt, I will e-mail to you the information.
I will add it to the tracker, when I receive it.
